# MedGov Staffing, LLC

## Company Overview Medical & Administrative Support

We pay attention to our client’s needs, prepare our candidates for cutting edge work, and are ready to grow right along with the shifting healthcare field. We do not just fill jobs, but rather we build partnerships. We are collaborators with our clients, committed to delivering the best medical talent we can find so they can continue their business of providing quality healthcare.

We care about all the responsibilities our partners encompass and are proud to be a part of the medical staffing process.

**About Us**  
 We are a WOSB—Small Business & Registered in SAM.gov.
